PROFESSIONAL SUMMARY

Results-driven Software Engineer with 2+ years of experience in developing and maintaining enterprise-level web applications using ASP.NET Core, Angular, and Microsoft SQL Server. Skilled in REST API development, frontend integration, database optimization, reporting systems, and production support. Experienced in delivering scalable business solutions, third-party integrations, workflow automation, and SLA-based application support in agile environments. Seeking opportunities in Qatar and the GCC region to contribute strong full-stack development and problem-solving expertise.

TECHNICAL SKILLS

Backend

ASP.NET Core, C#, REST APIs, Entity Framework Core, LINQ, Microservices Basics

Frontend

Angular, TypeScript, JavaScript, jQuery, HTML5, CSS3, Bootstrap

Database & Reporting

Microsoft SQL Server, MySQL, Stored Procedures, SSRS

Tools & Platforms

Git, GitHub, IIS, Azure, Docker, Postman, Swagger

Methodologies

Agile/Scrum, Production Support, Troubleshooting, Requirement Gathering

Professional Skills

Problem Solving, Team Collaboration, Communication, Time Management

PROFESSIONAL EXPERIENCE

Associate Software Engineer

Nov 2024 - Feb 2026

Soft Gallery | Sri Lanka

- Developed and maintained modules for a HRMS and Recruitment System using ASP.NET Core and Angular.
- Designed stored procedures, optimized database operations, and integrated Web APIs.
- Generated dynamic SSRS reports for academic and administrative operations.
- Maintained deployment configurations and production support activities.
- Collaborated with teams to deliver scalable business solutions within deadlines.

Key Achievements

- Improved application workflow efficiency through backend optimization and reporting automation.
- Successfully delivered scalable modules for real-time academic and administrative operations.

Tech Stack : ASP.NET Core, Angular, SQL Server, SSRS, Entity Framework, Git

Associate Software Engineer

Jan 2024 - Nov 2024

Devztec Technologies | Sri Lanka

- Developed enterprise web applications using ASP.NET Core and Angular.
- Built and integrated RESTful APIs for third-party systems.
- Optimized SQL queries and improved backend performance.
- Supported testing, deployment, troubleshooting, and production operations.
- Delivered scalable full-stack solutions within agile development environments.

Tech Stack : ASP.NET Core, Angular, SQL Server, REST APIs, Entity Framework, Git

Intern Software Engineer

Jul 2023 – Jan 2024

Devzec Technologies | Sri Lanka

- Developed a standalone POS system using Windows Forms and .NET technologies.
- Built invoice generation, authentication, transaction handling, and printing features.
- Designed user-friendly interfaces and supported application testing activities.
- Gained hands-on experience in agile software development practices.

Tech Stack : Windows Forms, .NET Framework, SQL Server

KEY PROJECTS

HR Management System – Soft Gallery

Technologies: C# .NET, Entity Framework, MS SQL Server, jQuery, SSRS

- Developed HR modules including payroll, leave, attendance, and employee management.
- Designed reusable components for CRUD operations and implemented role-based access control.
- Automated report generation using SSRS for HR and accounting departments.

School Management System – Devzec Technologies

Technologies: ASP.NET Core, Angular, MS SQL Server

- Developed features for student records, scheduling, exams, and result management.
- Integrated Web APIs and worked on real-time data handling using Angular services.

POS System – Devzec Technologies

Technologies: Windows Forms, .NET Framework

- Built standalone billing software with login, direct printing, and data synchronization features.

BINHUB Waste Disposal Reselling System

Technologies: PHP, E-commerce

- Facilitated waste-to-resource transactions via a community-driven e-commerce platform.

E-COM Computer Store Web App

Technologies: ASP.NET MVC

- Developed a custom product builder and shopping experience with real-time inventory updates.
-

ADDITIONAL INFORMATION

- Nationality: Sri Lankan
 - Passport Status: Valid Passport Available
 - Visa Status: Transferable Company Visa (NOC Available)
 - Availability: Immediate Joiner
 - Languages: English, Sinhala, Tamil
 - Microsoft Office Suite
 - Driving License: Sri Lankan Driving License Available
-

EDUCATION

BEng (Hons) in Software Engineering

Feb 2023 - Sep 2024

London Metropolitan University

Higher National Diploma in Software Engineering

Feb 2021 - Feb 2023

E-soft Metro Campus
